Read Me First – Nevada Medicaid

Physician Requirements

- The FA-1 Durable Medical Equipment Medicaid form must be completed and signed by the Physician. The prescribed device and accessories must be listed on the form.
- A Physician's written order/Certificate of Medical Necessity is required in addition to the FA-1 Durable Medical Equipment Medicaid form.
- A complete copy of the office notes from the face-to-face office visit with the doctor. The visit must have occurred within the last 6 months and must document that the client was evaluated and/or treated for a condition that supports the SGD. The appointment must take place prior to the completion of the Certificate of Medical Necessity.

Recipient Attestation

- The FA-1E Recipient Attestation form is required to be completed after the trial period of the AAC device.
- The form needs completed by Client, Caregiver, Spouse, or Physician.
- The form needs to be signed by Physician.

Speech Language Pathologist Requirements

- Provide a Statement of Non-Affiliation. The statement can be included in the AAC evaluation or provided separately.
- A three-month trial of the requested device may be required prior to purchase per Medicaid guidelines.
- If trial took place, documentation of 3-month trial should be listed in the AAC evaluation report with dates of beginning and end of trial included.
