Read Me First – DC Medicaid

Prescription Requirements

- Medicaid requires that the client have a face-to-face examination with their physician no more than 6 months prior to the written order for the speech generating device (SGD).
- The physician must document that the client was evaluated and/or treated for a condition that supports the SGD. This documentation (chart notes or office visit notes) must be provided along with the written order for the SGD.

Speech Evaluation Requirements

- A 4-week trial of the recommended device is required and should be noted in the evaluation.
- The prescribing physician needs to sign the AAC evaluation.

719A Prior Authorization Request Form

- This form need to be completed and signed by the prescribing physician for DC Medicaid only clients. This does not apply to clients who are eligible for Managed Care Organizations.
