Read Me First – Ohio Medicaid

Ohio Initial Certification

Use the Ohio Initial Certification form for an initial purchase for clients who are eligible for Ohio Medicaid. Complete each section and use N/A in fields where not applicable. This form is signed by the physician. The form must include the physician's Medicaid provider number. A separate speech language evaluation form is also needed written by a licensed Speech/Language pathologist (SLP).

Ohio Repair of Durable Medical Equipment Form

This form is to be used when a repair is needed to your speech generating device. The client information may be completed and sent to PRC-Salttillo which then we will complete the form. A separate letter from a license SLP and prescription from the physician must accompany this form.
